

Industry Profile

The Dairy industry in the lower south east is rapidly growing, both in farms and cow numbers. The availability of irrigation water is a key factor for the growth in this region. Many farms in the region are locally owned, providing secure, diverse, and expanding jobs for the local community.

Business Profile

Fox Park Trust **Allendale East**

What does our Business do?

Our business currently milks 650 cows and will be expanding to 700 soon.

There are many aspects to a modern Dairy Farm some of which are

- Calf rearing
- Milk harvesting
- Pasture production
- Fodder harvesting
- Animal health
- Reproduction

As well as team work, training, computer work and fencing.

Workforce Development

We rely on people who are motivated, like to work in the outdoors and with animals.

Team work , reliability, and honesty are very important skills needed.

Our farm encourages training within the industry, such as TAFE SA and local farming groups.

We will asses payment of training on an individual basis.

Our business offers above award wages, and new facilities .

How do we recruit?

Apprentices/Trainees

- Contacting the TAFE SA in Mount Gambier
- Advertising in the local paper

Senior Staff

- Advertising in the local paper
- Word of mouth

Strategies

Finding the right people is essential to the smooth running and future growth of our business. Trial periods are an important part of this process.
