

THE MARK OF QUALITY

Industry Profile

The South Australian Meat Industry is progressive, innovative and technologically advanced. It has a gross annual revenue of \$2.5 billion and almost 4500 South Australian's currently work within the industry. The Limestone Coast has several Food (Meat) Processing operations ranging from large export operations through to smaller specialised businesses and is one of the largest employers in our region.

Business Profile

TEYS BROS (NARACOORTE) PTY LTD
NARACOORTE – SOUTH AUSTRALIA

What does our Business do?

Food (Meat) Processing – Teys Bros Naracoorte process Beef Cattle for both domestic and export markets. The Naracoorte plant is part of the Teys Bros Group which was established in 1946 and is an Australian owned private company.

Workforce Development

Strategies

Teys have continued to grow since 1946. At Naracoorte we are committed to the continued success and growth of our plant. In 2008 Teys announced that we would be expanding our Naracoorte operations. This in turn will create a number of job opportunities for our existing employees, but more importantly will allow new people to come and work for Teys

How we recruit?

We have a number of ways that people can apply for work with Teys (phone, email, mail & calling in at the site), they all involve completing an application form and a formal interview for all positions.

Trainees

- Knife Hands
- Packers
- Process workers
- Logistics

Apprentices (highly competed for positions)

- Mechanical Fitter
- Electrician

Senior Staff

- Bill Adcock – General Manager
- Steven Pitman – Plant Manager
